The university has student health services confidential counseling services at the Huntsville campus and The Woodlands Center that are available to all SHSU students. SHSU also offers a comprehensive health insurance plan entitled AHP for all students, which includes access to 24/7 telehealth services and virtual telemental health services by appointment. This means that students who have opted in to the health plan can receive medical and mental health care remotely, at any time of day or night, from the comfort of their own home or dorm room.

SHSU-COM understands that accessing in-person healthcare can be challenging, particularly during busy academic schedules. That's why we've partnered with [AcademicLiveCare](#) to provide easy and convenient telehealth services for our students.
